Where you arrive as a Guest and leave as a Friend...

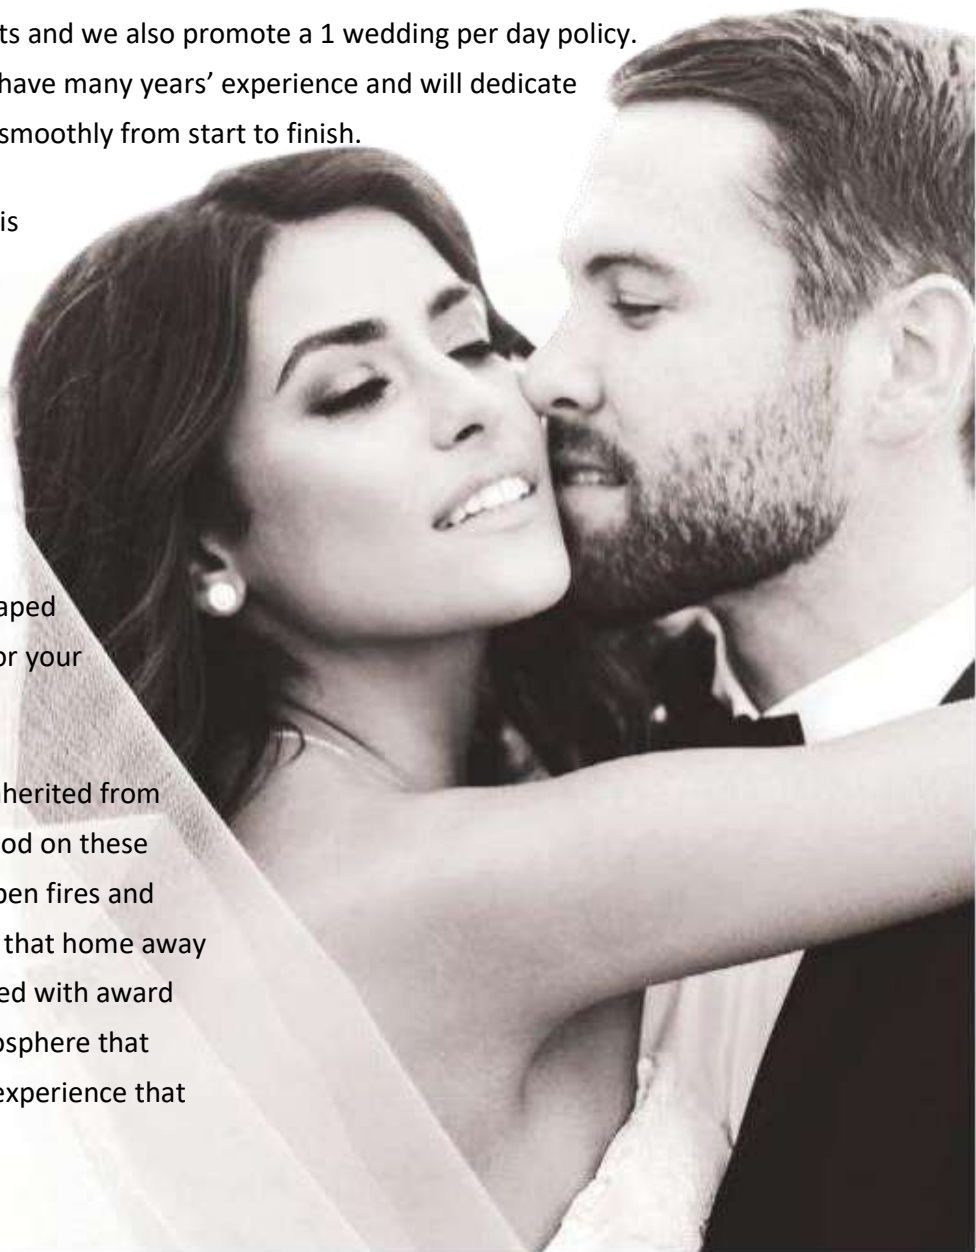

May we begin in congratulating you on your engagement and we are delighted that you have considered the Bushtown Hotel & Spa as the venue to host your forthcoming wedding.

The Award Winning Bushtown Hotel & Spa is the perfect place to host your special day. We have just launched our fantastic new wedding packages and can cater for civil Ceremony's and wedding reception from 20 - 180 guests and we also promote a 1 wedding per day policy. Our dedicated Wedding Coordinators have many years' experience and will dedicate themselves to ensuring your day runs smoothly from start to finish.

Planning, organising and coordinating is our specialty and one of the reasons why we are considered the premier wedding venue on the North Coast.

Set amidst mature woodland in a convenient location on the outskirts of the University town of Coleraine, the surrounding woodland and landscaped gardens provide a wonderful setting for your photographs.

The traditional character and charm inherited from the original thatched inn that once stood on these grounds, is applied throughout. The open fires and snug surroundings give all your guests that home away from home atmosphere. All this coupled with award winning food creates the relaxed atmosphere that ensures you and your guests have an experience that will be cherished and remembered.
